

Profile Steel Cladding 2016/17 Brochure

Profile Steel Cladding Limited are based in Glanamman near Ammanford, Wales and are one of leading sellers of profile steel cladding in the country. We are able to offer you a complete cladding system and can supply all the necessary products for your build. We have a large choice of modern, durable and hard wearing materials that you can choose from and can provide all the necessary knowledge for planning your project.

Profile Steel Cladding can also supply all matching **flashings, gutters and downpipes** along with all necessary **fixings, fillers and mastics**.

To complement the roof sheets, **Insulated Roof lights** and **single skin roof lights** are available to match any profile that you provide.

At Profile Steel Cladding we always like to see the finish product on our website, if you have any pictures of your completed projects please email them to us here.
